## **DETAILED ACTION**

### ***Amendment***

1. Acknowledgement is made of Amendment filed 12-22-10.
2. Claims 7, 10 and 12 are amended.
3. Claims 1-6, 8-9 and 15-22 are canceled.

### ***Response to Remarks***

4. Since Claims 7, 10 and 12 are amended and Claims 21 and 22 are canceled, the Claim Objections of claims 7, 10, 12, 21 and 22 have been withdrawn.
5. Since Claims 21 and 22 are canceled, the Claim Rejections of claims 21 and 22 under 35 U.S.C. 112, first paragraph, have been withdrawn.

### ***Allowable Subject Matter***

6. Claims 7 and 10-14 are allowed.
7. The following is a statement of reasons for the indication of allowable subject matter:

Claims 7 and 10-14 allowable because the prior art of record neither anticipates nor renders obvious the limitations of the base claim 7 in combination as claimed, including:

wherein the photoconductor layer includes an electroconductive material, and that the electroconductive material is connectable to the ground plane,

Art Unit: 2835

wherein the photoconductor layer is provided with a first aperture that extends through said photoconductor layer, the light emitting diode at least partly placed in the first aperture, inside the photoconductor layer, and the photoconductor layer also provided with the electroconductive material at least around the edges of the first aperture; a key having a projection extending through a second aperture provided on said photoconductor layer, said projection configured to press on said circuit board.

After carefully review the specification and the claims in the application and art search, considering what is claimed as a whole that the aforementioned limitations are believed to render said claim 7 and all claims dependent thereof patentable over art of record.

8. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
